Dear student,

Congratulations on successfully completing your 30 hour course of instruction! Simply present your certificate to the DMV representative when you appear for the behind the wheel exam.

Please note, Per Nevada Administrative Code 483.773:

Each student enrolled in a course taught by correspondence or an interactive course that uses communications technology (Internet) must take a final examination and sign a notarized statement, under penalty of perjury, that the student took the examination. If the student is under 18 years of age, a parent or legal guardian must sign the statement.

Please submit the attached acknowledgement to our office upon issuance of the certificate. Failure to do so could result in a future suspension of driving privileges. You may submit the notarized statement as an email attachment, fax or via USPS. Thank you.

Sincerely,

The Nv Drivers Ed Team
